

Request A Quote

A quote from Booksource makes it easy to share official pricing with your purchasing office.

When preparing your quote, a Literacy Accounts Manager will check current pricing and availability on all requested titles and collections. They'll also answer questions, make title recommendations and provide ongoing quote support as needed.

Get A Quote in 6 Quick Steps!

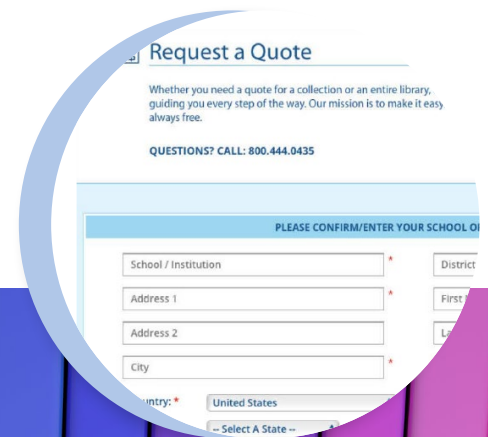

- 1 Go to Booksource.com.**
- 2 Click "SIGN IN" to create an account.**
Booksource will never share or sell your information, and you always have the option to opt out of our marketing communications.
- 3 Start Searching Titles**
Use one of the following options:
• Shop Collections • Search • Advanced Search
- 4 Create A Wishlist**
Wish lists will automatically save—carts may disappear when you log out or browser is closed.

Select "Add to Cart" ONLY if you plan to complete the purchase during your current browsing session.

- 5 Populate Your Wishlist**
To add a title to your wish list, first select the quantity. Next, click the "Add to Wish List" button. You'll be prompted to add the title to a Saved List or a New List.

To view your completed list, go to "MY WISH LIST."

- 6 Request Your Quote**
 - Review your list and click "Request a Quote."
 - Fill out the required information and click "Submit."
 - Your quote will arrive in 1-2 business days!
